**Powering Progress,
Delivering Solutions!**

ABOUT US

Channel Saudia Trading is a dynamic and globally-minded trading company, dedicated to providing comprehensive solutions in the realm of Oil & Gas, Petrochemicals, Infrastructure, Steel plant & utilities, Marine & shipbuilding, Automotive, Power & electricity, High rise building, Interior & fit out, Housing, villas & residential complex, Food & beverage, Pharmaceuticals, Cement factory, Tools & Machinery factory, and Spare parts factory. With a commitment to excellence, innovation, and sustainable growth, we navigate the intricate landscape of international trade to meet the evolving needs of our diverse clientele.

“ **Forge Ahead with Confidence: Your Source for Unyielding Materials.** ”

VISION

As a visionary leader in the global trading arena, we seamlessly integrate innovation and integrity into every transaction, establishing ourselves as the preferred partner for clients in Oil & Gas, Infrastructure, Manufacturing, and beyond. Our commitment extends beyond transactions, as we actively contribute to the sustainable development of industries worldwide through impactful projects that exemplify our dedication to excellence.

MISSION

At the core of our mission is the commitment to empower industries through innovative trading solutions that seamlessly integrate cutting-edge technology. By cultivating strategic alliances and executing impactful projects with unwavering dedication to quality, we aim not only to meet but exceed the expectations of our clients, thus fostering sustained growth and prosperity while creating lasting value for our stakeholders.

CORE VALUES

Integrity

Innovation

Collaboration

Quality

Sustainability

Customer Focus

Sectors we cover

- Oil & Gas
- Petrochemicals
- Infrastructure
(road, railways, airport, bridges, tunnel)
- Steel plant & utilities
- Marine & shipbuilding
- Automotive
- Power & electricity
- High rise building
- Interior & fit out
- Housing, villas & residential complex
- Food & beverage
- Pharmaceuticals
- Cement factory
- Tools & Machinery factory
- Spare parts factory

01 Material trading

Electrical

Universal Enclosures, VFD, panel boards, conduits & straps, junction box, GI boxes, environmental box, cables, low voltage components, bus bar, motor starter, panel wires, sockets, terminal blocks, signaling devices, relays, safety switches, toggle switch, conduit & straps.

Instrumentation

Jubction box, control cables, analogue junction box, pressure gauges, thermo-couple, control valves, thermowell.

Building materials

UPVC Pipes & Fittings, HDPE Pipes, Water Pumps, Plumbing Accessories, Hand Tools, Paints & Painting Tools, Plywood, False ceiling tile, Sandwich Panels, Masonry Tools, PPE Pipe & Fittings, Flexible Hoses, Water Heaters, Sanitary Fittings, Machine Tools, Fasteners, Hardwood, Gypsum Board, Polycarbonate Sheets, Chemical & Adhesives.

Construction Chemicals

concrete admixture, waterproofing system, curing & sealing compound, adhesives, sealers, toppings & coatings, protective & decorative sealers. Machinery grouts, joint sealant, bonding adhesives, industrial & commercial flooring system, concrete repair, specialty & innovative products.

FRP products

underground tank, tank, enclosures, storage tank, toilet, panel board box, wash basin, pots, porta cabins, exhibition booth, storage tanks, & all customized size & object

Industrial hoses

hydraulic hoses & pneumatic hoses (metallic & nonmetallic) Safety items & industrial tools.

Mechanical HVAC & Plumbing

 Air Conditioners	 Boilers	 Chillers	 Heat Pumps	 Dehumidifiers & Humidifiers
 Radiant Systems	 Fan Coil Unit (Fcu)	 Steel HVAC fittings	 Copper HVAC fittings	 Aluminum HVAC fittings
 PVC HVAC fittings	 Brass HVAC fittings	 Stainless steel HVAC fittings.	 PVC pipes fittings	

Pipes & Fittings

ASME carbon steel, ASME stainless steel, ASME alloy steel

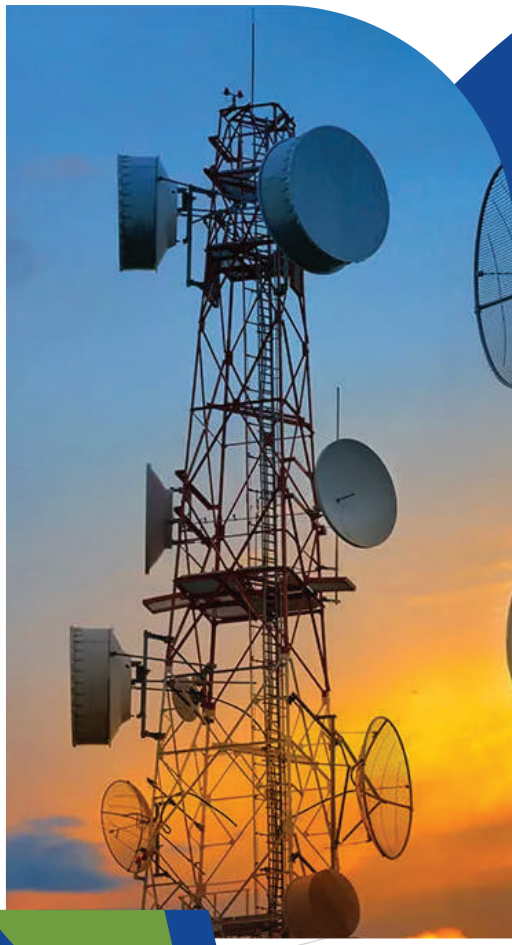

Valves

 Gate Valve	 Ball Valve	 Butterfly Valve	 Needle Valve	 Globe Valve
 Check Valve	 Pinch Valve	 Plug Valve	 Diaphragm Valve	 Solenoid Valve
 Special Purpose Valve				

Gasket (Metallic & Nonmetallic)

		
Common Gasket	Industrial Gaskets	Spiral Wound Gaskets
		
Envelope Gasket	Non-asbestos Gaskets	Ring Type Joint Gasket
		
Apg Gaskets	Flat Metal Gaskets	Gaskets
		
Corrugated Metal Gasket	Rubber Sheet Material Gaskets	Gasket Manufacturer
		
Gasket Distributor		

Telecom (Telecommunications)

	
Analogue switches	Digital switches
	
Public switching equipment	Transmission equipment
	
Transmission lines	Voice over IP switches
	
Local loops	Customer premises equipment
	
Optical fiber	Customer office terminal
	
Private switches	

IT items (ICT- information & communication technology)

- Computer Systems 1) Central Processing Unit
2) Desktop PCs
- Peripherals 1) Digital Camera (CDD Camera)
- Storage Devices 1) CD Recorder
- Printers

Data Pre-processing Equipment

Data Processing Equipment

Data Storage Device

Personal Computer

Plotter

Printer

Scanner

Text Processing Equipment

Visual Display Unit

Data Circuit-terminating Equipment

Data Terminal Equipment

Router

Network Items

Gnetwork Interface Card

Transmission Media

Router

Switch

Hub

Modem

Server

Fire Alarm/Fire Protection (Fire alarm & fire fighting system)

				
Fire Extinguishers	Fire Alarm Systems	Smoke detector	Heat Detector	Fire Hydrant System
				
Fire Suppression System	Fire doors	Emergency and Safety Sign	Fire First Aid Kits	Fire Hoses
				
Fire Buckets	Fire and Welding Blankets	Flamezorb	Sprinklers	Fire Suit
				
Fire Fighting Vehicle	Fire Cabinet	Fire Ball	Fire Pump	Firefighter gloves

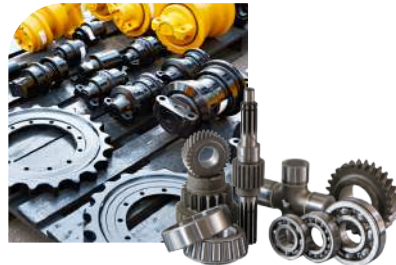

Audio Visual

		
Microphones		
		
Projectors	Speakers	Video Walls and Digital Signage
		
Lighting	Video Conferencing Systems	Cables and adapters

02 Special Materials

- Measurement instruments
- Lab instruments/equipment
- R&D equipment/instruments
- Testing equipment/instruments
- Customized products/customized machines
- Radiographic films

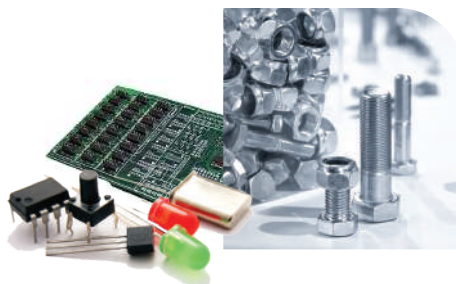

03 Spare Parts

- Machinery spare parts
- Equipment spare parts
- Industrial gear box & spare parts

04 Special Elements

- Mechanical elements
- Electrical elements
- Instruments elements

05 Projects

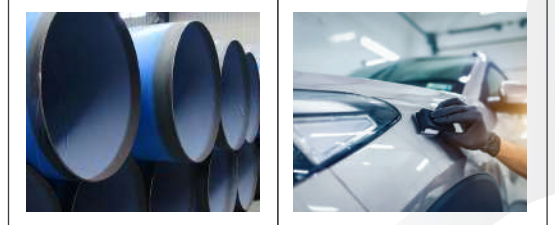

Floor coating

Epoxy, Polyurethane & other Special Coating

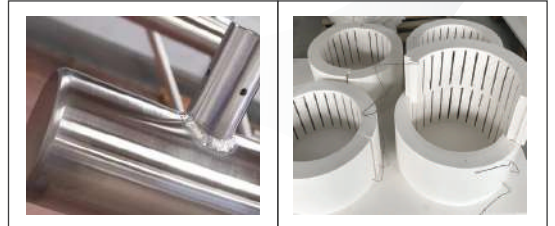

Special coatings

FBE coating, Ceramic coating, weather resistant coatings (UV, Humidity, temperature, rain, sandstorm etc.), internal coating.

Customized Fabrication

Customized steel, aluminum, FRP, Fiber products.

06 Maintenance Projects

routine maintenance support, turnaround support, shutdown maintenance support.

07 Construction Projects

Valve Station

Pump Station

Extruder Area

08 Equipment Rental

Channel Saudia stands at the forefront of the equipment rental industry, offering a diverse and extensive range of state-of-the-art machinery and tools to cater to the specific needs of sectors such as Oil & Gas, Infrastructure, Power & Electricity, and more. Our commitment to excellence and innovation ensures that our clients have access to the latest and most reliable equipment for their projects. Whether it's heavy machinery for construction or specialized tools for manufacturing, we provide comprehensive solutions tailored to enhance operational efficiency and project success.

09 Engineering Support Services

In the realm of Engineering Support Services, **Channel Saudia** Trading is your strategic partner, delivering expertise and solutions across various industries including Oil & Gas, Petrochemicals, and Marine & Shipbuilding. Our globally-minded approach ensures that our engineering support services are not only technically proficient but also aligned with international standards and best practices. From conceptualization to execution, we collaborate with clients to provide cutting-edge engineering solutions that drive efficiency, safety, and sustainability.

10 Project Management & Project Controls Support Services

Engineering support, Project management & project control support

- Tender Planning/Scheduling
- Baseline Scheduling
- Recovery Scheduling & Forecast Scheduling
- “S”-Curve & Manpower Histogram
- Schedule review
- Schedule updating
- Reports- Monthly Exe, Weekly & Daily
- Cost Estimation
- Proposal writing & Bid assistance
- Quantity Surveying/MTO
- Contract writing & review
- Bid evaluation
- Bill of Quantities (BOQ)
- Progress Measurement System (PMS)
- Forecasting & Variance analysis
- Risk analysis
- KPI setting & Monitoring
- Delay analysis & EOT
- Contract Drafting & Review
- As-built engineering
- Preparation of fabrication / shop drawings
- Preparation of bill of materials
- Review of design calculations and detailed Drawings
- As-built documentation
